Inspiring Lifelong Learning

AIREBOROUGH LEARNING PARTNERSHIP TRUST

Thursday 4<sup>th</sup> October 2018

Dear Parents/ Carers,

On **Tuesday the 27<sup>th</sup>** and **Wednesday 28<sup>th</sup> November**, years 5 and 6 will be visiting the Star Centre in Keighley to enhance their learning about our current Space topic. The Star Centre is an excellent interactive resource which is only open to organised groups, so this is an excellent opportunity for the children. We will be mixing the classes up over the 2 days to enable us to use the school minibus for transport, thereby keeping the cost of the trip down. We will let you know a little closer to the time which day your child will be going on the trip.

On the day of the trip, children will need to be in school at 8.00am as our first session starts at 9.00am. There is no need to send any food as our final session finishes at 12.00pm so we will be back at school in time for lunch.

To cover the cost of the trip, we are asking for a voluntary contribution of £10. This may sound expensive for a half-day trip, but this has already been subsidised by school to keep the cost down.

Please complete the slip below and return to school by Friday 12<sup>th</sup> October. The voluntary contribution needs to be received by Friday 16<sup>th</sup> November. We will send out the full consent forms and further information closer to the time. If you have any questions about the trip, please don't hesitate to contact me in school.

Yours sincerely,

Alan Steele
