Inspiring Lifelong Learning

AIREBOROUGH LEARNING PARTNERSHIP TRUST

Tuesday 16th October 2018

Dear parents/ carers,

Next week in school we will be having a theme week which focuses on 'Keeping yourself safe and healthy'. During the week, children in all classes will be taking part in lessons and activities aimed at helping them to learn about how they can make sure that they are staying safe and making healthy life choices.

As part of this, all children in years 1 to 6 will be learning some basic first aid skills, all classes will have the opportunity to take part in a poster competition and we will be using our cooking area to create healthy meals. There will also be many more activities going on in each class throughout the week.

On Tuesday 23rd October at 8.40am we will be doing a 'wake-up, shake-up' activity in the playground for all children and parents to take part in if they wish. This was a brilliant success last time we did it, so it would be great if this year we could have even more people taking part! If nothing else, it's a good opportunity to marvel at Mr Swanston's dance moves.

As usual, if you have any questions about this please do not hesitate to contact me in school.

Yours sincerely,

Alan Steele.
